LIFE WITHOUT BARRIERS

PROPERTY DETAILS

Bedrooms: 3

Bath: 1

ROOM INFORMATION:

The largest bedroom in the house, it has direct access to the driveway via internal sliding doors and would be ideal for either an ambulant person or a person with a physical disability.

HOUSE INFORMATION:

Located on a quiet, residential street, this three bedroom home is fully wheelchair accessible throughout. It features an open plan bathroom, direct access to the driveway via internal sliding doors, and has a charming and relaxing outdoor entertainment area which flows on from the open plan internal living space, providing an 'indoor-outdoor' aspect to the property.

The house is located close to public transport, and is in close proximity to shopping. On site day and night support (sleep over and shift) is provided by trained, experienced and consistent team of staff.

Client matching is important. A male person is preferred by the current tenants.

HOUSEMATES:

Two males, both in their early 20s, are the current tenants.

LOCATION/NEARBY FACILITIES:

Public transport and shopping centres close by.

ACCESSIBILITY:

Fully wheelchair accessible throughout. This property is available only to applicants who require a home suited to a person who is ambulant or has a physical disability.

CURRENT SUPPORT:

A trained, experienced and consistent staff provide 24/7 support onsite, day and night (overnight sleepover shift).

MODEL:

On site day and night support 24/7 (overnight - sleep over shift) provided by a trained, experienced and consistent team of staff.

FACTORS TO CONSIDER IF YOU ARE INTERESTED IN APPLYING:

Life Without Barriers will conduct a screening and suitability assessment to ensure housemates are compatible.

- You are aged 18 years or over
- You are eligible for and able to secure an appropriate level of NDIS funding
- You are financially able to pay rent and utilities and you, or your nominated representative, are prepared to sign an accommodation agreement
- You require a wheelchair / wheelie walker accessible property.

SDA relevant information:

- Building type for this house is Group Home, 3 residents and design category for this house is Fully Accessible.
