THE BEST WAY TO  
PREDICT THE FUTURE  
IS TO CREATE IT

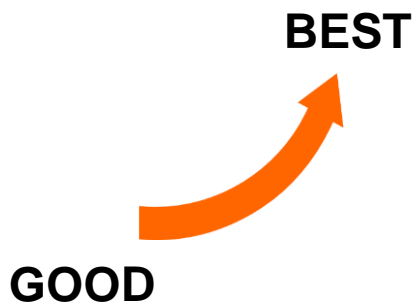

## How to use this booklet

This document was written by Life Without Barriers in Easy English.

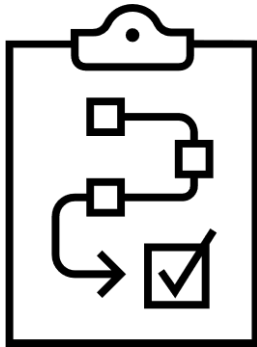

We use pictures to explain some ideas.

- This document explains how you can help Life Without Barriers make your services better.

- At Life Without Barriers, we are always looking for ways to improve and provide better support.

- To make your services better in the future, we are making a special plan called 'Beyond 2020'.

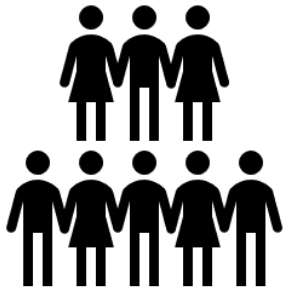

- This plan will help Life Without Barriers understand what changes people want and how we should make them.

- We are asking every person who is part of Life Without Barriers to share their ideas.

This includes all staff and all people we support.
