Disability services

Support on your terms

Welcome to Life Without Barriers – your disability support provider all over Australia. We're here to support you to live your best life!

You get to decide what you want in life, and we're here to be your supportive partner to help you reach your goals.

It's about you, and you doing things the way you want to.

Your choices are important, and we care about how you're doing.

Everyone's welcome here, no matter who you are.

At Life Without Barriers, we have many services made just for you.

Let's work together to make your home and community the best places for you.
