myLearning upgrade – Getting Started in myLearning For Carers

myLearning helps Carers to engage with learning opportunities suitable to their individual learning preferences. Within Carer Learning Pathways, Carers can book into courses which are relevant to them. myLearning's address is

https://lwblearning.pageuppeople.com/?bstayOnLoginPage=True

Logging In:

myLearning

myLearning requires a unique email address as your username. The first time you login you will need to create a password.

E-mail address
Password
Remember my login details
Login
Don't know your password?

Your password must:

- Be at least 8 characters
- Not be a password used previously by that user (it will look at their previous 12 passwords)
- Contain a combination of letters and numbers (at least one number and one letter)
- Not contain a common phrase e.g. Password
- Not contain the learner's name.

While creating a new password you'll be shown a password strength indicator to show how strong your password is. **Accounts** will lock after 3 attempts, if this happens please send an email to mytearning@lwib.org.au

Unable to process request. Please correct the following errors and try again: Incorrect e-mail address or password

Error:

I TFF

BARRIERS

If you see the above error you have entered an email address that is already in use. For example; it may be a shared email that you and your partner use. Only one Carer can use the email address for logging into myLearning. To access myLearning please provide your LWB key worker with your own individual email address. Once you've logged in, your **development plan** will display. (This can also be accessed from About Me in the top menu.)

The Learning Library:

myLearning

From the **My learning** menu select **Learning Library,** OR the Explore library button.

The Learning library will display:

In the Learning Library you can view all available courses, including faceto-face courses. You can filter using the menu, or search for a course by its name or description.

To enrol in an eLearning course, click on the course in the Learning Library and select **Book** to add the course to your development plan or **Learn now** to begin learning.

Click on a session and the course description will display. Scroll down and you will see a list of all available sessions for this course and how many positions are available.
